

Health Matters - Hatfield
Mental Health Awareness
Open Meeting June 27th 2023
7.00pm Hatfield Social Club

Specialists from our local surgeries and Health Service providers will present:

Understanding Mental Health Issues.

The warning signs, what you can do to help yourself and others around you, and what support is available.

This is your opportunity to learn more about the Mental Health and ask questions of the experts.

Space is limited and we ask everyone to please register in advance.

For more information and to register click on the link:

The Hatfield Primary Care Practices need your support

We are always looking for members to join the patient groups which support the local surgeries. We support vaccinations, communicate information between patients, the surgeries and the wider NHS, and organise events.

If you would like to receive information about future events (in areas such as Parkinsons, asthma, arthritis) or to get more involved with your surgery please fill in the form on your surgery website (links below), or send an email to the address below. Your email address will not be shared with anyone other than your practice, and you can of course ask for it to be removed from our mail list at any time.
